*Southern Hills Golf Club -
Quite Simply the Most Astonishing
Membership and Real Estate Value
in the Fine State of Georgia...*

Southern Hills golf Club-given 4 ½ stars by Golf Digest and voted top 100 must-play courses in the State!

Standing on the first tee at Southern Hills Golf Club, you're not going to understand why our layout has won acclaim from golf magazines and why players love this course so much.

Once you're here, our layout will take your breath away; you're going to want to play at Southern Hills again and again to experience the rich green landscape with its majestic maples and pines to sculpt a course with elevation changes unusual for courses in the area. You're going to love the uphill and downhill and the tiered greens that demand accuracy and strategic thinking.

Our designer, Mike Young of Athens, Georgia, took full advantage of the unusual rolling terrain that visited Southern Hills. And watch out for the water; nine of our holes have ponds and creeks.

It's no wonder that for 2002-2008, Southern Hills was given 4 ½ stars for Service and Value in the annual "Places to Play" list issued by Golf Digest.
